Personal Injury

For decades, we have built a reputation for excellence in personal injury and litigating your interests aggressively, and have helped hundreds of victims. Whether it is an automobile accident, a wrongful death claim, or other personal injuries, our lawyers are some of the most widely known and respected names in personal injury today.

Litigation

There are lawyers, and then there are Trial Lawyers. Our lawyers are high energy and flexible; they are as at home in the courtroom as they are anywhere. Our extensive trial experience insures that your matter will be represented as professionally and effectively as possible. Preparation is the key to good trial work - and we've had literally thousands of cases to perfect the art of preparation.

Domestic Relations

Our practice has broad experience in uncontested and contested divorces, child custody, child support, paternity, adoptions and guardianship. Our attorneys understand that you are going through a life transition and that family law is more than just a "legal process".

Employment Law

We represent both employers and employees in cases involving employment disputes. Areas of representation include wrongful termination, harassment, disability discrimination, and family and medical leave cases. The firm maintains and employment litigation practice in both state and federal courts.

Business and Transaction Practice

As in other areas, thorough planning on the front end my save endless problems on the back end. The depth of our practice enables our lawyers to provide comprehensive transactional and advisory services to our clients. Let us build the initial legal framework to help you get your business started.

Estate Planning

This is one area of the law that will affect everyone at some point in his or her life. The best advice is also the simplest - be prepared. Our services include wills and probate matters, trusts, tax issues and planning, real estate matters and other issues that insure you and your family are prepared.

Debtor/Creditor Relations

We are proud of our long-standing representation of northeast Arkansas financial institutions. Our lawyers represent clients in cases involving foreclosures, replevin actions, bankruptcy and other financial disputes.

Real Estate Services

Purchasing a home, and other matters involving real estate, are some of life's most important transactions. With us, you have the certainty that experienced professionals are handling your real estate matters, including deeds, title insurance, loan closings and contracts.
